Curricular Practical Training
CCAS, SEAS, ESIA, & CPS

Phillip Thomas, International Student and Scholar Advisor
Curricular Practical Training

An F-1 student may be authorized to participate in a curricular practical training program that is an **integral part of an established curriculum**.

Curricular practical training is defined to be alternative work/study, internship, cooperative education, or any other type of required internship or practicum that is offered by sponsoring employers through cooperative agreements with the school.

8 CFR 214.2(f)(10)(i)
Basic Facts about CPT:

• Occurs during the course of study
• Must be “an integral part of an established curriculum” – receive credit or transcript notation
• Directly related to your field of study
• Authorized by the ISO (in writing on I-20) before work!
• Employer-specific (must have a written job offer to apply and it does not transfer)
• On campus + off campus employment = 20 hours total!
• CPT can be authorized for paid and unpaid internships
CPT – Part-time v. Full-time

• Limited to part-time work during academic semester for work experiences not required by the degree program.
• Can be full-time during authorized university breaks (i.e. spring, summer & winter break)
• Use of part-time CPT does not impact eligibility for OPT
• Remember: 12 months of cumulative full-time CPT results in the loss of eligibility for OPT
CPT- Paid vs Unpaid Internships

• CPT is available for paid and unpaid positions. CPT is recommended for unpaid internships. You must be enrolled in either Professional Praxis credit or academic credit to qualify for CPT authorization.

• Labor laws must be taken into account when assessing unpaid training opportunities

• Pain-in-the-neck rule

• Important DoL resources:
Volunteering- General Information

• May receive “no compensation”
  • Receiving compensation such as meals, free parking, discounts, metro passes, gift cards, stipends are ALL compensation!
• Performs hours of service for a local public agency for civic, charitable or humanitarian reasons
• Offers services freely and without pressure of coercion and..
• Is not otherwise employed by the same public agency to perform the same type of services as those for which the individual proposes to volunteer
CPT Eligibility

• Must have completed 1 academic year in status
• Must have eligible job offer

Important:
❖ Graduate students in programs that require an internship in the 1st year of study must see an advisor about exceptions
❖ US transfer students who have completed 1 academic year must be enrolled at GW for 1 semester before they are eligible to apply for CPT

IMPORTANT NOTES

- If you engage in twelve or more months of full-time CPT at your current program level you will not be eligible for Optional Practical Training (OPT) when you complete your studies.
- CPT is authorized on a semester-by-semester basis, and therefore you need to apply for CPT authorization each semester.
- You must limit your employment to the specified employer, location and position authorized on your I-20
- For part-time training, you must be careful to limit your work to no more than 20 hours per week.
- CPT can be authorized for paid or unpaid positions

HOW DO I APPLY?

To apply you must submit the following documents to the ISO:

- A proposal letter from you describing the type of work training you would like to do and how the proposed training is directly related to your field of study. If you are requesting an extension of an existing authorization, you should explain how your duties will change.
- A letter (on letterhead) from your employer clearly indicating:
  - Name and address of the employer issuing the paycheck
  - Address where employment will take place
  - Title of your position and detailed description of your duties
  - Number of hours you will be working per week
  - Exact dates when your employment is expected to begin and end
- A letter (on letterhead) from your academic advisor containing the following information:
  - Indication that she has reviewed your proposal and employment letter
  - Brief description of your degree program and how the proposed training is directly related to your academic program
  - Explanation of how the proposed employment is an integral part of your curriculum of study
  - Estimated date of graduation
  - Indication that you are making normal progress toward degree completion and that the proposed training will not interfere with continued satisfactory progress by the graduation date indicated on your I-20
- Evidence of enrollment in the appropriate curriculum course (unless required by program and no class is available)
  - ESIA Undergraduates, CAS, SEAS - Please go to http://careerservices.gwu.edu/cooperative-education-oig and follow the instructions to apply for the evidence of enrollment, allow 48 hours for processing (all holds must be removed prior to requesting Evidence of Enrollment from the Center Career Services)
