UNIV 2001: Elective Internship Course

In this course, you’ll learn:

• What to expect from and how to succeed at the internship
• Explore and assess career skills and strengths
• Critically examine the values, structure, and leadership of the internship organization
• Identify and practice professional behaviors in the workplace

Take this interactive online course during your internship and receive elective credit!*

*Upon completion of the course, one elective credit will be noted on your transcript, but will not count towards graduation

More information and instructions on how to register may be found at go.gwu.edu/internshipcredit
