Guidelines for #GWCareerSuccess Blog

GW Center for Career Services Blog
https://gwcareercenter.wordpress.com

Thank you for your interest in writing a blog post for the GW Center for Career Services!

1. Your post should be about YOU and your experience.

2. Write 300 – 1000 words. Pay attention to grammar, spelling and getting your thoughts across clearly. Feel free to use your “voice”: this is a blog post, not an essay!

3. Give your blog post a title!

4. Pick out a high quality, large file picture to go with your blog post. This picture should be from Career Quest NY. Sample pictures include: a candid picture of you on one of the sites, a picture with you and another student or site leader, you in action, etc. Be creative!

5. Email your blog post and title in a word document attachment, along with your picture to: careerquest@gwu.edu. Include your name, major, and graduation date in the body of the email.

Approval and Publication Process

Once you submit your blog post, it will be proofread and edited by the Center for Career Services team. Don’t worry; we won’t change your content! Once approved, your post will be queued up for publication on the blog. We will send you an email notification when we publish your post! Note: the date of when your post is published will depend on how many posts are queued up before you.
