Position Posting Template

Position Title
● Standard title as provided by the Student Employee Wage Matrix and by Student Employment

Level of Support
● Standard as provided by the Student Employee Wage Matrix

Wage per Hour
● Added by the department. Must be within the ranges listed on the Student Employee Wage Matrix

Position Type
● On-Campus FWS, Off-campus FWS, Non-FWS

Number of Openings
● Added by the department

Position Specific Summary
● Added by the department. This should be a one paragraph statement of the most important functions and responsibilities of the position, the department the student will be working for, location, and may include identifying the position’s direct supervisor.

Standard Position Description
● Standard description as provided by the Student Employee Wage Matrix and by Student Employment

Professional Outcomes
● Added by the department. Select 2-3 professional competencies that the student will develop in the position. The GW Professional Competencies are described here.

Required Qualifications
● Standard requirements as provided by the Student Employee Wage Matrix and by Student Employment

Preferred Qualifications
● Added by the department. Take into consideration if your requirements are really a requirement upon entering a new position, or are you willing to train the student? Keep it simple. If the student will be working in Excel workbooks, consider using “aptitude to learn new technology” and/or “great organization skills.” Many students can be trained to use technology/systems, but will not apply to positions they do not feel qualified for.
Position Descriptions
